

One for the Verde POS Card
Contact jneville@verdeguide.org if you want some.

This establishment proudly participates in the voluntary *One for the Verde* program created to raise funds to help restore and preserve the Verde River watershed and habitats.

You may deduct or ask the cashier to remove the donation from your payment at the time of purchase if you do not wish to contribute to these activities. They will gladly remove your contribution.

The Verde River, one of the last free-flowing waterways in the Southwest, is under threat. Dedicated groups are working to restore damaged areas, increase water flows, create river walkways and nature trails, remove invasive species and provide low impact river access. Your small voluntary contribution is coupled with hundreds of others to help provide funding to protect our watershed for our communities today and into the future.
